Dear Prospective Member

Thank you for your interest in becoming a Member of the Huron River Club. Our 2009 / 2010 Membership drive brought a wonderful group of over 80 new Members! It is with this kind of support and enthusiasm that we find our Club the "*home away from home*" for so many. We are happy to be known as the hidden jewel in Farmington...we invite you to join Us.

\$250 Initiation Fee

****Food & Beverage Minimum of \$300 by December 31, 2011****

***As we come to the final quarter of the season, the Fall Membership promotion offers to *waive the balance* of the Annual Dues for the remainder of the current year. Annual Dues of \$700 are due in January of 2012 with the option to pay half in January and the balance in June.**

The Huron River Club is in it's 90th fiscal year; a Club that was established to provide the ultimate dining experience and offer a unique place to socialize with Family, friends, clients and our current Members. One of our successes has been the strong patronage from the Membership. In order for the Club to maintain the long standing roots in the community and growth in this current challenging economy, we need to continually add new Members. This is where you come in. Please feel free to call or email me with any questions or concerns regarding the Club before you make a decision. I am here for you. For further insight to the Club please visit our website at www.huronriverclub.com.

The next step in this process is to select a date for your Membership interview, please contact me with available dates, preferably Tuesday through Friday. Please block 45 minutes to an hour for the interview, the time will vary depending on the amount of questions asked by those attending. **We ask that your Sponsor attend the interview with you**, please contact him/her with your date. If for some reason your sponsor can *not* attend, please contact me so alternate arrangements can be made. I can be reached through email or leave a phone message at 248-477-1000.

I will reply with a confirmation of the interview date once I receive your availability and contact the Membership committee.

Next Interview Date:

We are extremely pleased to open our Home to you as our new Member!
