

# Huron River Hunting & Fishing Club

## Winter Membership Promotion 2012

Dear Prospective Member

Thank you for your interest in becoming a Member of the Huron River Club. Since we began our comprehensive Membership drive in 2009, we have enjoyed over a 100 new Members! It is with this kind of support and enthusiasm that we find our Club the "home away from home" for so many. We are happy to be known as the hidden jewel in Farmington...**we invite you to join Us.**

### **\*\$ 350 Initiation Fee\***

**\*As a New Member we ask for the Annual Dues of \$700, with an additional \$20 optional for a staff wide Holiday bonus, be paid either in Full or in Half upon joining the Club. If you choose to pay the Club half of the Dues, the balance is due at the end of June, 2012. As a Member, you will have a Food and Beverage Minimum of \$250 required to meet every four months, three times a year. We arrive at your four month cycle by the first initial of your last name; additional information will follow. Moving forward with this promotion, Annual Dues will decrease by \$60 at the first of the new month.**

The Huron River Club is in it's 91st **fiscal year**; a Club that was established to provide the ultimate dining experience and offer a unique place to socialize with Family, friends, clients and our current Members. One of our successes has been the strong patronage from the Membership. In order for the Club to maintain the long standing roots in the community and growth in this current challenging economy, we need to continually add new Members. This is where you come in. Please feel free to call or email me with any questions or concerns regarding the Club before you make a decision. I am here for you. For further insight to the Club please visit our website at [www.huronriverclub.com](http://www.huronriverclub.com).

The next step in this process is to select a date for your Membership interview, please contact me with available dates, preferably Tuesday through Friday. Please block 45 minutes to an hour for the interview, the time will vary depending on the amount of questions asked by those attending. **We ask that your Sponsor attend the interview with you**, please contact him/her with your date. If for some reason your sponsor can **not** attend, please contact me so alternate arrangements can be made. I can be reached through email or leave a phone message at **248-477-1000**.

**~I will reply with a confirmation of the interview date once I receive your availability and contact the Membership committee.~**

**Next Interview Date:**  
*To be determined*

*We are extremely pleased to open our Home to you as our new  
Member!* Sincerely, Laura Fox, General Manager
